## Notes:

- If phone does not charge, remove it from charger for 3 seconds and rotate phone 180 degrees.
- Not all phones fit into all vehicle integrations.
- Cases used on phones with built-in wireless charging capability may have reduced performance.
- Do not use the wireless charging system with objects between the charger and the phone.
- Phones that are longer than 150mm (approx 6 inches) may have reduced or no performance.
- Phones that are not listed above have not been evaluated for compatibility.
